

ALUMNI ASSOCIATION:

The passed out students who formed *Alumni Association* way back in 2003 have been extending their services to their beloved institution from time to time. As a token of love and respect towards the college, the association built a Car Shed in the college campus as donation on the occasion of Silver Jubilee celebration.

PARENTS/GUARDIAN'S ASSOCIATION:

The Parents' Association of the college was also formed in 2003. Since then, the Association has performed a number of programmes in the college. They performed plantation programmes in the college campus at different times on different occasions.
