

The Career Counselling Cell of the college organized career counseling to the students of the college on 8th February, 2018 at the auditorium of the College. The main objective of the programme was to acquaint the students about different avenues available in the Govt. and Private sectors. The programme was basically for the students of 6th semester which are in their career deciding year. Mr. Bhargav Baruah, Perfect Trainer, Guwahati, a renowned counselor explained the sea opportunities in the outer world. He also encouraged the students on choosing the field they were interested rather than allowing somebody else to govern it. The programme ended with interaction among the counselor and students at 2 P.M.
