

The Career Orientation Programme held on 9th February, 2022 started at around 3:00 pm at Virtual Room, Silapathar College. As many as 30 students along with Teaching staff of Silapathar College participated at the programme. After the inaugural speech delivered by Principal of Silapathar College, Guest of honor, Mr. Swapnanil Baruah, Retired IAS shared his experiences of the problems and prospects of the administrative services of the country. This really captivated the interest of the students. The Programme followed with the speech of the next speaker Mr. Shivendra Singh, Academic Director, Sankardev IAS Academy. He gave a brief introduction about the civil services examinations, and how to prepare for it. He gave useful tips to the students on concentrating on their studies and achieving their goals. The program was concluded with an interactive session of the students with the resource persons. One of the students questioned about the importance of coaching classes for appearing civil service examination to which the resource person replied that with proper books and internet at times can help one fulfill the dreams without coaching classes also. Overall, the event was a great success as it helped in giving a perspective to the students on to how to analyze and plan their career.
