

**1.00 : A PROFILE OF SILAPATHAR COLLEGE**

The Silapathar College was established in 1979 as a result of concerted efforts made by generous local public who were led by a group of academically ambitious leaders. It is the second oldest college in the district of Dhemaji. The history of establishment of institutions for higher learning in the district of Dhemaji, in fact, began with the inception of Dhemaji College followed by Silapathar College. It is located in the heart of the rapidly growing small township of Silapathar which is surrounded by villages of tribal and backward communities. Thus, the college pledges to underline its target groups at the young men and women belonging to economically poor and socially excluded section of the society.

The institution is permanently affiliated to the Dibrugarh University. It was brought under deficit system of grant-in-aid in 1992 and was subsequently provincialised in 2005 by the Government of Assam. The college registered under 2(f) and 12(b) of UGC Act 1956 was first accredited by NAAC in 2005 with 'B' Grade.

The college basically provides higher education for Higher Secondary and Under Graduate levels in Arts Faculty in those programmes which are accorded affiliation by the Dibrugarh University. But keeping in view of the diverse needs of the local society in the rapidly changing situations, the institution has introduced a series of self financing job oriented programmes in addition to the ones affiliated by the Dibrugarh University. Apart from that, the college is also offering both UG and PG programmes under Directorate of Distance Education, Dibrugarh University (DDEDU) and Krishna Kanta Handiqui State Open University (KKHSOU). For all programmes the college has set forth a goal of achieving excellence in producing men and women of quality, competence and commitment to society.

**1.01 : VISION :**

Spreading the walls of quality higher education by dissolving barriers and creating an apt environment for holistic progression of the students, academically and beyond with focus on the rich multi-cultural milieu of the land.

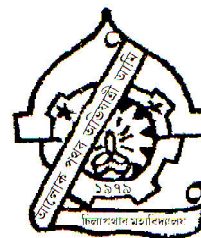

**1.02 : MISSION :**

Imparting higher education to the desiring and deserving, the unprivileged and deprived and encouraging them to confidently remain rooted in the global knowledge society for generating competent, compassionate and charitable human resource motivated by sublime humane values.

**1.03 : THE COLLEGE EMBLEM AND MOTTO :**

The college emblem bears the significance as follows :

The uneven wheel that dominates the emblem with black spot in it stands for unequal progress and dynamism of civilization. The burning lamp (pradip) amidst darkness (black spot) within the wheel symbolizes light of knowledge – knowledge is power — to be achieved by endeavour. The conical cap in the shape

of the fore of a pipal leave on the wheel signifies the height or peak of modern civilization that has made way beyond stars.

The pipal tree, on the other hand, is a symbol of Indian heritage of meditation for achieving knowledge. The band on which the sentence “আলোক পথৰ অভিযাত্রী আমি” is inscribed in Assamese meaning ‘we are the seekers of light (knowledge) in thorny ways’ is obliquely folded at the bottom as a base on which the name of the institution, চিলাপথাৰ মহাবিদ্যালয় (Silapathar College) is inscribed.

The diagonal part of the band that embraces both the wheel and the cap together indicates the motto of the college which aims at fostering excellence of human potential by cultivating the ideals of perseverance.
