The burning lamp (pradip) amidst darkness (black spot) within the wheel symbolizes light of knowledge – knowledge is power — to be achieved by endeavour. The conical cap in the shape of the fore of a pipal leaf on the wheel signifies the height or peak of modern civilization that has made way beyond stars.

The pipal tree also symbolizes Indian heritage of meditation for achieving knowledge. The band on which the sentence “আলোক পথৰ অভিযাত্রী আমি” is inscribed in Assamese meaning ‘we are the seekers of light (knowledge) in thorny paths’ is obliquely folded at the bottom as a base on which the name of the institution, চিলাপথাৰ মহাবিদ্যালয় (Silapathar College) is inscribed.

**Overview** : The Dibrugarh University has introduced CBCS system in UG courses with effect from the academic session 2019-20. There are six semesters in UG courses over a period of three calendar years. The schedule for the semester system is as follows: First, third and fifth Semester (including examination): August to December; Second, fourth and sixth Semester (including examination): January to June. In CBCS, broadly there are two programmes: 1. B.Sc (Honours) 2. B.Sc (Regular). The details of BSc (Honours and Regular) programme for Semester are as follows:

In **Semester –I B.Sc (Honours)**: One subject (Core course), English communication and one Generic Elective (GE) subject (Core course and GE must be two different subjects)

In **Semester -II B.Sc (Honours)**: One subject (Core course), one Generic Elective (GE) subject (Core course and GE must be two different subjects). Environmental Science (Ability Enhancement Course) is compulsory for students of all programmes.

In **Semester -III B.Sc (Honours)**: One subject (Core course), one skill enhancement course and one Generic Elective (GE) subject (Core course and GE must be two different subjects).

In **Semester -IV B.Sc (Honours)**: One subject (Core course), one skill enhancement course and one Generic Elective (GE) subject (Core course and GE must be two different subjects).

In **Semester –V B.Sc (Honours)**: One subject (Core course) and one discipline specific elective.

In **Semester -VI B.Sc (Honours)**: One subject (Core course) and one discipline specific elective.

For further details one may visit Dibrugarh University website, [www.dibru.ac.in](http://www.dibru.ac.in)

A student's performance in the CBCS semester system shall be monitored throughout the semester by continuous assessment in both theory and practical papers. Evaluation in each theory and practical paper will be as follows:

**Internal evaluation:** 20% marks (includes sessional examinations/home assignments/ seminars/ group discussion)

**External evaluation:** 80% marks

Internal evaluation shall be based on sessional examinations, home assignments, class attendance, seminars, group discussion etc. in each semester while external evaluation shall be through a final examination at the end of the semester conducted by Dibrugarh University. Students must secure pass marks in both internal and external examinations separately. Programme Subjects to be taken Students must have minimum 75% class attendance for appearing the examination.

### **Internal assessment and evaluation system (IAES)**

The college has introduces the internal assessment and evaluation system (IAES) to satisfy the norms of continuous and comprehensive evaluation of students is primarily based on the following parameters

1. Class attendance/ regularity of students in different subjects
2. Attendance in test/terminal examinations, unit test and marks secured/progress in these tests
3. Use of library services by the students.
4. Participation in seminars/discussions etc.
5. Participation in co-curricular activities
6. Teachers comments/views on a student
7. Performance in Home Assignments etc.

Students are advised to fulfil different preconditions satisfactorily to secure a higher grade in IAES. Moreover, under the Semester System in Under Graduate level under Dibrugarh University, the following norms and procedures will be followed for internal Assessment and evaluation.

1. 20% of the total marks of each paper will be allotted as the marks for Internal Assessment.
2. The marks distribution of Internal Assesment from the allotted 20% marks is as follows
  - \* 25% from overall attendance of student
  - \* 25% from 1<sup>st</sup> Sessional Examination (SEI)
  - \* 25% from 2<sup>nd</sup> Sessional Examination (SEII)
  - \* 25% from Seminar, group Discussion etc.

### **Special Features:**

1. A well equipped Laboratory recognized.
2. A Mushroom cultivation unit has been established in Department of Botany for academic purposes.
3. The central library is enriched with approximately 100 books for Under Graduate level including text books and reference books.

**DEPARTMENT OF CHEMISTRY**

The department started functioning with its first batch of students in 2020. Currently it is offering various undergraduate courses in chemistry (Honours and non-Honours) under CBCS curriculum as prescribed by the Dibrugarh University. The department is endowed with three well qualified faculties, constantly engaged in building up a strong theoretical as well as practical foundation among students through their knowledge and expertise.

**Programmes offered :**

B.Sc Programme: Chemistry (Honours) & Chemistry (Non-Honours)

**Intake capacity:** Chemistry (Honours) 20 nos.

**Faculty Profile :**

Name	Qualification	Designation	Specialization	Teaching Experience
Dr. Sukanya Baruah (HoD)	M.Sc., Ph.D., SLET	Assistant Professor	Inorganic Chemistry	5 years
Dr. Shreemoyee Phukan	M.Sc., Ph.D., SLET	Assistant Professor	Inorganic Chemistry	3 years
Dr. Upasana Borthakur	M.Sc., Ph.D., NET, SLET, GATE	Assistant Professor	Organic Chemistry	8 months

**Periodical Publication:**

The department has started publishing “**Alchemy**” (Wall Magazine) to motivate students to enhance their thought process, as well as to express themselves through writing skills on various issues related to the subject and other fields. The wall magazine publication is monitored by an editorial committee, consists of a faculty member from the department and another member from student community.

**Facilities :**

- **Library Facility:** The central library has a collection of approx. 100 books related to core as well as generic courses of the subject. It houses both text books as well as reference books.
- **Laboratory Facility :** The departmental laboratory is equipped with some sophisticated high-quality instruments to facilitate academic as well as research activities. These include UV chamber, Departmental spectrophotometer, polarimeter, flame photometer, centrifuge machine, muffle furnace and other high-quality glassware.

**Assessment criteria :**

The academic performance of a student is evaluated through marks secured in internal assessments (20 % of total marks) conducted by college and end-semester examination conducted by Dibrugarh University (80 % of total marks). The internal performance of a student is evaluated through a continuous system of evaluation which comprises of sessional tests, class tests, quizzes, home-assignments, seminars, group discussion etc.

**Overview** :

The Dibrugarh University has introduced CBCS system in UG courses with effect from the academic session 2019-20. There are six semesters in UG courses over a period of three calendar years. The schedule for the semester system is as follows: First, third and fifth Semester (including examination): August to December; Second, fourth and sixth Semester (including examination): January to June. In CBCS, broadly there are two programmes: 1. B.Sc. (Honours) 2. B.Sc. (Regular). The details of BSc (Honours and Regular) programme for Semester are as follows:

In **Semester –I B.Sc (Honours)**: One subject (Core course), English communication and one Generic Elective (GE) subject (Core course and GE must be two different subjects)

In **Semester -II B.Sc (Honours)**: One subject (Core course), one Generic Elective (GE) subject (Core course and GE must be two different subjects). Environmental Science (Ability Enhancement Course) is compulsory for students of all programmes.

In **Semester -III B.Sc (Honours)**:One subject (Core course), one skill enhancement course and one Generic Elective (GE) subject (Core course and GE must be two different subjects).

In **Semester -IV B.Sc (Honours)**: One subject (Core course), one skill enhancement course and one Generic Elective (GE) subject (Core course and GE must be two different subjects).

In **Semester –V B.Sc (Honours)**: One subject (Core course) and one discipline specific elective.

In **Semester -VI B.Sc (Honours)**: One subject (Core course) and one discipline specific elective.

For further details one may visit Dibrugarh University website, [www.dibru.ac.in](http://www.dibru.ac.in)

A student's performance in the CBCS semester system shall be monitored throughout the semester by continuous assessment in both theory and practical papers. Evaluation in each theory and practical paper will be as follows:

**Internal evaluation:**

20% marks (includes sessional examinations/home assignments/ seminars/ group discussion)

**External evaluation: 80% marks**

Internal evaluation shall be based on sessional examinations, home assignments, class attendance, seminars, group discussion etc. in each semester while external evaluation shall be through a final examination at the end of the semester conducted by Dibrugarh University. Students must secure pass marks in both internal and external examinations separately. Programme Subjects to be taken Students must have minimum 75% class attendance for appearing the examination.

**Internal assessment and evaluation system (IAES)**

The college has introduced the internal assessment and evaluation system (IAES) to satisfy the norms of continuous and comprehensive evaluation of students is primarily based on the following parameters

1. Class attendance/ regularity of students in different subjects
2. Attendance in test/terminal examinations, unit test and marks secured/progress in these tests
3. Use of library services by the students.
4. Participation in seminars/discussions etc.
5. Participation in co-curricular activities
6. Teachers comments/views on a student
7. Performance in Home Assignments etc.

Students are advised to fulfil different preconditions satisfactorily to secure a higher grade in IAES. Moreover, under the Semester System in Under Graduate level under Dibrugarh University, the following norms and procedures will be followed for internal Assessment and evaluation.

1. 20% of the total marks of each paper will be allotted as the marks for Internal Assessment.
2. The marks distribution of Internal Assessment from the allotted 20% marks is as follows
  - 25% from overall attendance of student
  - 25% from 1<sup>st</sup> Sessional Examination (SEI)
  - 25% from 2<sup>nd</sup> Sessional Examination (SEII)
  - 25% from Seminar, group Discussion etc.

**Special Features:**

1. A well-equipped Laboratory recognized.
2. Exposure visits to University and Central library are carried out regularly.
3. The central library is enriched with approximately 100 books for Under Graduate level including text books and reference books.
