SUMMARY OF STUDENTS FEEDBACK: 2017-2018

The IQAC of the College collected feedback manually from students about the overall experience of the college reveals several facts. It shows the reasons for choosing the subject and satisfaction level of students in various aspects like efficiency of syllabus and curriculum, conduct of examination, the effectiveness of internal assessment and overall facilities of the College. As many as 305 students have been received from the students. In order to arrive to comprehensive results, useful statistical tools like percentage etc. have been used. For the effective presentation of the data, various types of graphs have been used. Data was collected manually from the student.

Total number of 408 students responded to the survey.

1. STUDENT FEEDBACK ON TEACHERS

The IQAC of the College made an effort to access the student's feedback on teachers. As many as 7 questions were asked to the student on the various aspects like delivery of lectures, and availability of faculty after class hours for guidance etc.

Chart 1 describes the responses of the students on whether the teacher delivers lectures in the class effectively. It was noticed that out of 408 150 students strongly agreed that, the delivery of lectures delivered by teachers in the class room is found to be very effective. 143 students said that rated excellent, 80 nos. of students felt that the teachers were good in the class room. Only 30 nos. of students found to be satisfied in the delivery of lectures delivered by the teachers. It is noteworthy that not a single number of students dissatisfied with the mode of delivery of teachers in the class room.

Chart 2 explained the availability of faculty after class hours for guidance. It was observed that 230 students responded that, the teachers were very good by availing themselves even after the class hours. 130 numbers of students rated outstanding, 10 nos. of students felt that teachers avail themselves even after the class hours for guidance. It is disappointing that 40 nos. of students found that the teachers do not avail themselves after the class hours.

Chart 3 shows the responses on transparency & fairness of evaluation system/internal examinations. It was found that, 198 nos. of students felt that teachers were excellent in maintaining transparency and fairness of evaluation system/internal examinations, 180 nos. of students rated outstanding 30 nos. of students found good and 20 nos. of students were satisfied only.. It is good only 5 nos. of students were not satisfied with the transparency and fairness of evaluation system /internal examinations.

Suggestions and recommendations

1. Need to conduct more Career Counseling Programme.
2. Need to improve more on the security and parking facility of the college

Feedback analysis of students is submitted to the Principal of the college for the corrective action to be taken.
